

Name of Program: Music

Program Mission Statement

The mission of the Peru State College Music Department is two-fold:

1. training superior musicians through excellence in studio teaching, ensemble performance and academic rigor and
2. serving the wider college and region with the presentation of culturally enriching courses and high quality public performances.

Program Goals

- To prepare undergraduates for successful careers in music education, performance, and music business
- To provide equitable access to the music programs for the diverse constituents of southeast Nebraska and the region as well as the rest of the state and the four-state area
- To develop musical skills in all participating students, both individually, and through ensemble experiences
- To provide high-quality cultural and aesthetic experiences which contribute to the musical life of the college, the community and the region
- To support the mission and goals of Peru State College
