Announcements:

- You must be on time for each session, so plan ahead. Each student teacher must be in his/her seat at the start of each session, including the first one that starts at 8:30 a.m. and the one after lunch.
- Any entry or departure is particularly disruptive during the mock interview sessions, so be on time and make sure you have no reason to leave. There will be no comments or visiting with others during the mock interviews; there will be time for questions after the interview. You are encouraged to take notes by hand, not with a laptop. (Continued next page)

- Cell phones are on silent. If your cell phone vibrates or rings, you will be asked to leave that particular session and not return until the next session (partial loss of attendance points). Take or make calls during breaks and/or lunch.
- Since we have administrators and other guest presenters, professional dress is required. This “professional dress” would include suits, dress pants or skirts, and long-sleeved shirts and ties. It does NOT include shorts/capris, jeans, athletic wear, tennis shoes, flip flops, sandals, bare feet or legs, low-cut/rise shirts or pants, or short skirts.
- Bring your IAP in progress, including assessments and any available assessment data to this seminar.
- The primary focus of the afternoon Instructional Analysis Project/Data Analysis sessions will be the analysis of assessment data and instruction. As such, NO Instructional Analysis Projects may be submitted for grading before, during, or immediately after this seminar.
- If you wish to meet with faculty, please e-mail ahead for an appointment.
- The Bookstore is open from 8:00 a.m. to 3:30 p.m. on Fridays; it is located in the Student Center. All other campus offices are open from 8:00 a.m. to 5:00 p.m.
- Parking is available on site – no permit required.
- Lunch is available at the Student Center’s cafeteria for \$5.50. There is also a restaurant downtown (Cotty’s) and pizzas from Casey’s as you enter Peru.
