

Registration Card for Student Teaching Courses

Pick up a blue registration card form the Office of Student Records, the Peru State College Education Office (TJM 207), or the Annex office.

You will need to register for 16 weeks (12 credits) of student teaching for one of the following areas:

Educ 410 Elementary Education
Educ 411 Secondary Education
Educ 412 Early Childhood Education
Educ 413 Middle Grades Education
Sped 421 Preschool Disabilities
Sped 435 Special Education

If you are completing two or more areas see the director of Field Experiences to find out how many credits in each area to register for.

Call numbers for the semester you are registering for will not be available, leave that area blank.

The section number for all students is 01A

Be sure to complete your information at the bottom of the card and have your advisor sign it.

Please include your Registration Card with your application for student teaching (rather than submit it directly to the Student Records Office). Contact the Director of Field Experiences or your advisor if you have questions.
