Students placed in financial aid suspension status due to cumulative GPA, cumulative credit completion rate (Pace), or both, have the right to submit an appeal based on extenuating circumstances. Submitting an appeal is not a guarantee of approval.

To appeal SAP Status, complete each of the following steps. **Incomplete applications will not be considered.**

Step 1: For which term are you requesting Financial Aid reinstatement? (check only one):

_____ Fall 2023 _____ Spring 2024 _____ Summer 2024

Step 2: You must attach a typed, signed statement that answers the following questions:

- a. What extenuating circumstances led to you not meeting Satisfactory Academic Progress requirements? Please provide specific details. Include dates if possible.
- b. What corrective measures have you taken, or will you take, to achieve and maintain satisfactory academic progress? What support resources will you use? Be specific.

Step 3: Attach any relevant supporting documentation (including, but not limited to a physician’s statement, medical documents, legal documents, obituary notices, police reports, statement from licensed mental health professionals, etc.). Statements from family and friends will not be considered.

Step 4: Meet with your Bobcat Success Coach to complete your **SAP Plan for Success on Page 2**. If you don’t know who your Bobcat Success Coach is, contact the Retention Specialist at (402) 872-2341 or Room 101 in the CATS Building.

Step 5: Signatures

By signing below, I, the student, agree to complete the attached **Plan for Success** to the best of my ability. I acknowledge that my financial aid appeal is contingent on the successful completion of this Plan and I understand that if 1) I do not successfully complete the hours enrolled, 2) do not receive satisfactory grades during my Plan, or 3) do not reach Pace of 67% during my Plan, the appeal will be cancelled and I will again be on financial aid suspension. **I will keep Financial Aid updated on my progress and any changes I need to make to my plan.**
