Peru State College
Student, Part-Time, and/or Temporary Employment
Job Description

Title: Light/Sound Technician I

Purpose: Provide general lights and sound services to Peru State College.

Duties and Responsibilities: Worker is responsible for understanding and working with light and sound equipment. Duties may include moving stage equipment, organization of cables and microphones, programming and performing light shows, polite and proper interaction with clientele, proper set up of light and sound equipment, maintenance of all materials and working space, and basic sound reinforcement.

The preceding is a brief general description of the duties and responsibilities associated with this position, and may be subject to modification by the supervisor.

Preferred Qualifications: Experience preferred but not required. Training will accompany a successful hire.

Wage Rate: Wage rates are listed on the current job title and pay scale table. Please visit with the Director of Financial Aid for specific information.

Dates of Employment: Dates of employment will generally conform to the beginning and ending dates of the academic term, or in certain instances will be determined by the Director of Financial Aid.

Supervision: Supervision will be provided by the director/supervisor of the area to which the worker is assigned, or by said individual’s designee.
