

## G.I.F.T. - Graduate Information for Today!

August 14, 2010

Graduate Students,

Are you ready?! Ready for the Fall courses to begin. Term 1 classes start August 23<sup>rd</sup> for MSOM and MSED online students and will begin Sept. 11<sup>th</sup> for the MSED cohorts. We had a busy summer here in the Graduate Programs office. We have updated our web site so that you can navigate your way around with ease. The most important link you will find is probably the forms and documents link, where you can find any form(s) you may be needing. Just go to: <http://www.peru.edu/graduate/forms.htm>

Significant changes you need to be aware of:

- Students cannot enroll for courses after the class start date
- Students cannot drop courses after the start date
- New user ID fully implemented – use myPSC starting Fall, 2010

**\* ALWAYS contact us in the Graduate Programs office if you need assistance in any way, we are glad to help and often times we can often speed up the process if needed.**

Below are some of the upcoming important dates you need to be aware of:

Date	Day	Event
August	7	Graduation – Congratulations Graduates!
August	23	Fall online courses begin – (cohorts begin Sept. 11)
September	6	Labor Day Holiday – PSC Offices Closed

All upcoming dates can be found at: <http://www.peru.edu/graduate/dates.htm>
