

## G.I.F.T. - Graduate Information for Today!

August 12, 2011

Graduate Students,

Are you ready!?! Ready for Fall courses to begin. Term 1 classes begin August 22 for MSOM and MSED online students and will begin Sept. 10<sup>th</sup> for the MSED cohort students. We had a busy summer here in the Graduate Programs office. Remember to check out our web site which has a lot of useful information on it. The most important link you will find is probably the forms and documents link, where you can find any form(s) you may be needing. Just go to: <http://www.peru.edu/graduate/forms.htm>

We often hear from our graduate students regarding their Peru State College experience and I would like to take this opportunity to share some of those comments about degree programs. I encourage you to contact our office and share some of your experiences as well.

Thank you for everyone at Peru State who helped it to be a positive experience. It is evident your staff has an appreciation for education by being so supportive of those who choose to pursue a higher degree. - Karen Ashby

### Important Reminders:

- Students cannot enroll for courses after the class start date
- Students cannot **drop** courses after the start date

**\*Always contact us in the Graduate Programs office if you need assistance in any way, we are glad to help and often times we can often speed up the process if needed.**

Below are some important dates to remember:

Date	Day	Event
August	6	Summer Graduation
August	22	Fall Courses begin – (cohorts begin Sept. 10)
September	5	Labor Day Holiday – PSC Offices Closed

All upcoming dates can be found at: <http://www.peru.edu/graduates/dates.htm>

**Thought of the Month:** " Let your name become a symbol for success. Your name should always represent the ideals of discipline, courage, motivation, character, and respect, so that when others hear your name, they think of these ideals. No one can be YOU better than you are!" - Dr. Paul Stuart Wichansky
