## G.I.F.T-Graduate Information for Today!

October 15, 2010

Graduate Students,

Congratulations go to Garret Higginbotham, 28, who was presented the 2010 Milken Family Foundation National Educator Award by Governor Dave Heineman. The Milken Educator Awards is the nation's preeminent teacher recognition program, honoring K-12 teachers, principals and specialists coast to coast with more than \$60 million in individual, unrestricted \$25,000 awards. Recipients are heralded in early to mid-career for what they have achieved... and for the promise of what they will accomplish in the future. Higginbotham received his Master of Science in Education from PSC in 2007.

**REMINDERS:** Fall II courses will be starting October 25<sup>th</sup> for all graduate students (except our cohorts). Be sure you get your books and that you are ready to go prior to that start date. Also, if you will be graduating next May or August, you should have submitted an application for Graduation and the \$40 application fee by now. If you have not, please contact the Graduate Programs Office as soon as possible.

As always, do not forget to check you acornmail regularly for any updates or information recently sent. And the Graduate Programs web site is full of valuable information; you should visit our web site when you need any forms or updated information.

You may have noticed the banner across the top of our syllabi and other materials. The banner emphasizes Peru State College's commitment to engagement, inquiry, discovery and innovation, the cornerstones of our mission at Peru State College!

Below are some of the upcoming important dates you need to be aware of:

October 25, 2010	Term II Classes Begin
November 16-18	Registration for Spring Semester 2011
November 24-26	Fall Break

**Thought for the Month:** "The golden opportunity you are seeking is in yourself! It is not in your environment; it is not in luck or chance, or the help of others; it is in yourself alone."

Orison Swett Marden
