Graduate Students,

Congratulations on completing another semester of coursework! Enjoy the break; you deserve it! And a special congratulations to our December graduates – a job well done that makes for a very nice holiday gift - you worked hard, completed your goal, and you earned it – way to go!

Get the word out!

Our Boxley scholarship program for new cohort students will be returning for the summer session of 2011, yes, I said 2011, can you believe it? Look for updated information on our graduate web site in February for more details. Meantime, help spread the word to those you know and/or work with about the opportunities that await them at Peru State! It is by your word of mouth that many of our students hear about PSC and the quality, affordable opportunity that awaits.

Spring semester courses begin Monday, January 10, 2011 (Saturday, January 8<sup>th</sup> for Cohort Students)! Be sure to get all of your documents sent to the Admissions Office prior to this in order to be enrolled if necessary! And don't forget to purchase your textbooks prior to class beginning. Be sure to check the updated textbook list on the Graduate Programs web site!

**Friday through Friday – December 24 – December 31 – Offices Closed**

**The College will close at the end of the workday on Thursday, December 23rd, and reopen at 8:00 a.m. on Monday, January 3<sup>rd</sup>.**

***Thought for the Month:*** "What you want to be is possible. You can live your dreams. Wish your dreams with all your mind, work your dreams with all your strength, nurture them with your heart and see your dreams turn into reality... live them, they are possible!
