

## BACHELOR OF APPLIED SCIENCE (BAS)

### Major: Business Administration - Management

Pursuit of the Bachelor of Applied Science degree requires the completion of a technical associate degree or the equivalent in prior course work and prior learning through life experience. The degree is typically designed for those interested in developing management skills to complement their technical background.

Thirty (30) semester hours of General Studies are required. A minimum of one course must be selected from each of the five General Studies topic areas. A minimum cumulative grade point average of 2.0 (4.0 scale) is required for all coursework completed at Peru State College.
