INFORMATION

Human Resource signature is required for new college employees. Only the department supervisor signature is required on additional access and work-study accounts. Supervisor is responsible for making the account holder aware of all account and password policies. Campus Solutions SIS functional area lead signatures are required for Peoplesoft Campus Solutions (myPSC) access. Students use the department work-study account for computer access. Employees have to claim their NUID before myPSC access can be granted. Please DO NOT request more access than the position requires.
