The focus of this is to assess student perception of the use of a course offered with materials from an Open Education source rather than a traditional course text. Open Educational resources are materials available at no cost to students that are used in a class in lieu of a traditional textbook.

Please respond to the following set of questions regarding the current class you are taking which involves some degree of open educational materials.

1. For this class, I elected to;
   a. Adopt a no cost electronic version of the materials
   b. Purchase the electronic version of the materials
   c. Purchase the print version of the materials
   d. Purchase the electronic and print version of the materials

2. I feel comfortable using an electronic book or other online materials rather than a traditional course text.
   a. Disagree
   b. Somewhat disagree
   c. Neutral
   d. Somewhat agree
   e. Agree

3. The opportunity to access and use open education course materials in lieu of purchasing a textbook is important to me.
   a. Disagree
   b. Somewhat disagree
   c. Neutral
   d. Somewhat disagree
   e. Agree

4. Compared to a face-to-face (traditional) class of equal credits that uses traditional print textbooks and materials, the workload for this course is;
   a. considerably better
   b. somewhat better
   c. about the same
   d. somewhat worse
   e. considerably worse

5. Compared to a face-to-face (traditional) class of equal credits that uses traditional print textbooks and materials, the quality of materials used in this course are;
   a. considerably better
   b. somewhat better
c. about the same
d. somewhat worse
e. considerably worse

6. On average, how many hours per week have you spent on this course, including reading materials, working online, reviewing notes, writing pages and any other course related activity?
   a. Less than 3 hours
   b. 3 to 6 hours
   c. 6 to 9 hours
   d. 9-12 hours
   e. 12-15 hours
   f. More than 15 hours

7. How many classes which used open education resource materials (in lieu of a textbook) have you previously enrolled in?
   a. None
   b. One
   c. Two
   d. Three
   e. Four or more

8. Please rank order the following choices from 1 to 3 (values of 1, 2 & 3), with a value of “1” for the type of course materials in a class you prefer the most, and a value of “3” for the type of materials you prefer the least.
   a. all open education online material _____
   b. open education online materials with the capacity to purchase printed materials _____
   c. traditional course textbook and materials _____

9. I primarily consider myself an:
   a. on campus student
   b. an online student
   c. an on campus student who takes classes in either format to accommodate my personal/professional life

10. Gender;
    a. male
    b. female
11. College level
   a. Freshman (0-29 credit hours)
   b. Sophomore (30-59 credits)
   c. Junior (60-89 credits)
   d. Senior (90 or more credits)
   e. Post-Baccalaureate (possesses Bachelor degree)

12. I would take another class that uses Open Educational Resource materials.
   a. Not sure
   b. Yes
   c. No

Comments regarding the use of Open Educational Resources in classes.
