1. A statement that describes the student's goal and the relevance of the major to his/her career or personal interests.
2. A list of 4-6 student learning outcomes for the program.
3. A preliminary description of the proposed capstone project.
4. A list of the courses to be included in the program of study.
 - a. Mark courses previously taken or currently enrolled with an asterisk (*).
 - b. Be sure to consider any prerequisites for upper-division courses, and list any/all courses that should be included in the major.
 - c. Indicate total credits for the major at the end.
 - d. See program requirements in the Undergraduate Catalog under Interdisciplinary Studies for any additional general education/graduation requirements.
 - e. If you'd like to include an Internship as part of your degree requirements, make sure to put include this on your Proposed Curriculum/Coursework worksheet.

Proposed Curriculum/Coursework

Dept. Name & Course No.	Course Title	Institution (taken/planning to take)	Credit Hours
<i>Ex: BUS 201</i>	<i>Business Communication (PS)</i>		3
Total Hours
